FOR IMMEDIATE RELEASE

**GRANT WILL ENABLE WINGS FOR FALMOUTH FAMILIES TO
ACCOMPLISH GREATER PUBLIC OUTREACH**

May 29, 2011 - Wings for Falmouth is awarded grant by Woods Hole Foundation for the design and production of informational brochure.

Wings For Falmouth Families is pleased to announce its receipt of a generous grant made possible by the Woods Hole Foundation. Grant funding will cover expenses related to the design and printing of a new, informational brochure that will provide greater public outreach.

The brochure was designed and produced by Margo Tabb Graphic Design of Cape Cod, and provides a variety of information including how families with school-age children can apply for financial assistance; how individuals and businesses can donate to and support the services provided by Wings For Falmouth Families; and provides a history of the organization and its current Board of Directors. The brochure will be distributed through doctor's offices, Falmouth Hospital, Falmouth Service Center and the Falmouth Chamber of Commerce.

Wings For Falmouth Families is a community based 501(c)(3) established in 2003 by Lisa and Eric Asendorf of Falmouth. The organization provides local families with school-age children financial assistance when they are experiencing a medical crisis or tragic event. While medical costs may be covered by insurance, spousal loss of work, childcare and housing expenses, to name a few, add up to an enormous burden. To date, Wings for Falmouth Families has provided over \$70,000 to dozens of local families.

Wings For Falmouth Families is run solely by the Board of Directors, which is entirely volunteer, thereby incurring no salary expenses. If you wish to support the efforts of Wings For Falmouth Families with a donation of any amount, or you are a family in need of assistance, please visit www.WingsForFalmouth.org
